FLSA: Exempt (salaried)

REVISED: October 11, 2017

REPORTS TO: Chief Veterinarian

SUPERVISES: N/A

### Position Summary:

Under administrative direction, responsible for providing high quality veterinary care of shelter and/or client owned animals, shelter medicine, spay/neuter surgeries and disease control protocols. Some positions may require an emphasis on high volume spay and neuter surgery, and others may require emphasis on duties related to shelter medicine and herd health.

### Essential Duties and Responsibilities:

#### High Volume Spay and Neuter Surgery

- Performs high volume spay/neuter procedures for client owned and/or shelter animals.
- Performs pre-operative physical exams, administers peri-operative medications and manages postoperative surgical care for surgical patients.

#### Shelter Medicine

- Reports the status of overall shelter health to management.
- Collaborates with management and veterinary staff to create both real time adjustments to shelter protocols, as well as preemptive planning to mitigate the impact of disease outbreaks.
- Diagnoses and treats illness and injury in shelter animals and occasionally client owned companion animals, recommends course of treatment, diagnostic testing or euthanasia, species include dogs, cats, pocket pets, reptiles, fish, and occasionally farm animals.
- Administers pre-euthanasia sedation and performs euthanasia when necessary.

#### General

- Administers vaccines and preventative medications for shelter animals and for client owned companion animals during public shot clinics.
- Participates in on-call overnight emergency triage for shelter animals as needed.
- Maintains accurate and detailed electronic medical records.
- Dresses appropriately and professionally to project a positive image to the public.
- Contributes to the efficiency and effectiveness of the unit's service to its customers by offering suggestions and directing or participating as an active member of a work team.
- Other duties as assigned.

### Education and Experience Requirements:

- DVM/VMD degree from an accredited School of Veterinary Medicine.
- Three (3) years of surgical experience in medical care of animals, to include spaying and neutering.

### License & Certification Requirements:

- Valid License issued by the Nevada State Board Veterinary Medical Examiners.
- Valid License issued by the Nevada State Board of Pharmacy.
- Valid Controlled Substance Registration Certification issued by the Federal Drug Enforcement Administration.

### Required Knowledge and Skills:

Knowledge of:

- Animal shelter medicine and surgical procedures/protocols.
- Principles and practices of immunization as related to infectious diseases of animals.
- Proper review/audit of medical procedures to ensure that efficient and effective medical procedures are being practiced at the Foundation.
- Standard clinical office practices and procedures, including filing and the operation of standard office equipment.
- Communicating effectively with co-workers and the public, in person and over the telephone.
- Correct business English, including spelling, grammar and punctuation.

Skill in:

- Instructing (training) staff, providing clinical oversight and case management assistance.
- Performing surgery to spay, neuter and treat animals.
- Demonstration of genuine concern, compassion and caring for animals.
- Diagnosis of medical conditions and determining appropriate course of treatment.
- Explaining medical conditions and treatment options to staff and the public.
- Reviewing medical charts and records.
- Maintaining accurate medical and clinical records and preparing accurate and timely reports.
- Performing high volume of spay/neuter surgeries on a daily basis.
- Use of business software and associated computer hardware.
- Communicating effectively in oral and written forms.
- Contributing effectively to the accomplishment of team or work unit goals, objectives and activities.
- Communicating, relating and interacting with a variety of individuals from various socioeconomic, ethnic and cultural backgrounds, in person and over the telephone, often where relations may be confrontational or strained.

### Working Conditions and Physical Effort:

Physical ability and mobility to work in a typical clinical setting; stand for extended periods of time; strength to lift and/or move materials weighing up to 25 pounds frequently, 50 pounds occasionally; hand and finger dexterity required to perform tasks required of a veterinarian; vision to read printed materials; hearing and speech to communicate in person or over the telephone. Accommodation may be made for some of these physical demands for otherwise qualified individuals who require and request such accommodation.

Job incumbent is continuously exposed to animals, animal waste, potentially harming cleaning chemicals, high noise and potentially hazardous conditions, including the risk of animal bites, and occasional work

Fair pay and good benefits, including employer contribution to health insurance, and paid time off for full time employees. All jobs are regular full time, unless noted otherwise. Our Summary of Benefits may be found [here](#). Additional benefits are available for certain positions.

### **About Us:**

The Animal Foundation is a private, non-profit agency dedicated to making a difference in the lives of animals in the Las Vegas Valley. To promote the humane treatment of animals, The Animal Foundation operates Nevada's largest open-admission shelter (Lied Animal Shelter), taking in approximately 30,000 lost, unwanted and abandoned pets every year. Additionally, the Foundation offers adoption services, lost and found services, volunteer and foster opportunities, and low-cost spay and neuter and vaccination clinics. To learn more about The Animal Foundation, the jobs available, and an online application form, visit [animalfoundation.com/employment](http://animalfoundation.com/employment).

We envision a humane and compassionate community for all animals. Our mission is save the lives of all healthy and treatable animals in the Las Vegas Valley.
